The first informational meeting will be held this Saturday August 23rd, 1 pm at the Arthouse, 320 N. Columbia Street. All are welcome to attend, RSVP is recommended. 985-892-8650 or angel@sttammanyartassociation.org

STAA Art Opening Saturday Showcasing The Work Of Art Therapists

The St. Tammany Art Association in partnership with the Louisiana Art Therapy Association (LATA) announce the opening of a special art exhibit titled The Art of the Journey: An Exhibition of the Personal Artwork of Professional Art Therapists. The exhibit chronicles the individual path of art therapists in the mental health profession: some are students, while others have been practicing for decades; some work in hospitals, vocational programs, schools, or private practices; a few work with children, others with couples, some with individuals with disabilities and geriatric populations.

Guests and artists are invited to attend the Opening Reception to be held on Saturday, August 23rd at 6:00-9:00PM. The exhibit will continue through September 6, 2014 and is free and open to the public.

In addition to the exhibit, a professional lecture and a workshop offered by LATA members will be held at the Arthouse. www.sttammanyartassociation.org

Goodbee Plumbing Offers RootX Solutions For Root And Pipe Problems

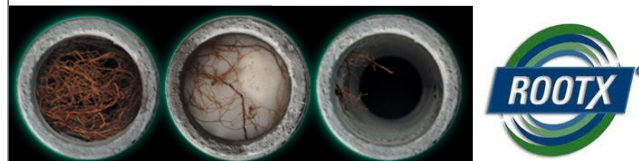

Do you have slowly flowing drains, or experience gurgling noises from your toilet? You may have roots from a nearby tree or shrub growing in your pipes. The roots are drawn to the hot, nutrient rich gases emitted by cracks or loose joints in sewage pipes. They then seep into the pipes, thriving in the climate. If left unchecked, they will form thick hair-like mats of roots. The concurring damage results in costly repairs and often times digging up sewer pipelines.

Goodbee Plumbing Inc offers several solutions in addressing root invasion concerns. A video plumbing inspection can be performed to determine what may be causing a blockage. If it is in fact roots, Goodbee Plumbing Inc provides professional root removal using RootX. It is recommended that treatment be continued annually to maintain buildup. RootX is non-caustic, non-fumigated and non-systemic, and will not harm pipes, septic systems or above ground vegetation. Goodbee Plumbing Inc also offers high pressure water jetting for clearing debris from pipes and drains.

Goodbee Plumbing Inc services residential and commercial, providing personal attention and excellent customer satisfaction to a majority of the St. Tammany and Tangipahoa areas. Goodbee Plumbing Inc is licensed, insured and Back-Flow certified, with over 18 years of plumbing experience. You can depend on Goodbee Plumbing Inc to get the job done right, and to "clean your drain, not your wallet!"

Public Input Invited For Planning Study Culture, Recreation & Tourism In St. Tammany

A round of Community Meetings to gain public insights and opinions regarding culture, recreation and tourism planning in southern St. Tammany Parish will begin the evening of Wednesday, August 20th in Slidell. Two additional meetings will be held the following day in Madisonville and Lacombe. The Parish's Department of Culture, Recreation and Tourism initiated this Strategic Plan in May of 2014 to identify best uses for mitigated, flood-prone properties and how they may best accentuate existing outdoor recreational and habitat preservation amenities in the parish. A team of design consultants led by Austin, Texas-based Design Workshop, LLC is under contract to the Parish to craft this Strategic Plan, based on public input and studies already completed by the Parish or municipalities.

The theme for this planning process is "Explore. Enhance. Enrich." and by it the team intends to explore the parish, identifying currently underutilized properties; develop conceptual plans to enhance those properties – improving their suitability for outdoor recreation, cultural heritage and wildlife habitat – and; to enrich the quality of life for residents and visitors to St. Tammany Parish.

An online engagement platform has been established at this address:

<http://explore-st-tammany.mindmixer.com>

Residents are invited to visit the above website and to attend one of three upcoming Community Meetings to provide input.

Wednesday, August 20, 6:00 pm at Mayfield Elementary School Cafeteria, 31820 Hwy. 190 W., Slidell

Thursday, August 21, 11:00 am at Madisonville Public Library, 1123 Main Street, Madisonville

Thursday, August 21, 6:00pm at John Davis Recreation Center, 61100 North 12th St., Lacombe

All Community Input Meetings are free and open to the public. Residents need attend only one meeting to receive information and give their input.

Farmer's Market Recipe

The ever Popular...Fresh recipes inspired by local seasonal ingredients
Farmer's Market Ratatouille For 4

Wednesday Market

- 2 large eggplant
- 2 zucchini
- 2 squash
- 6 creole tomatoes
- 5-6 leaves of basil
- 3-4 assorted bell peppers
- 4 toes of garlic
- oil for cooking

This fresh recipe was provided by
Sous Chef Leslie Guy of local
Del Porto Ristorante

Bring a pot of salted water to a boil. Cut an x on the bottom of the tomatoes and drop in the boiling water until they come back to a boil. Remove with a slotted spoon, allow to cool, then remove the skin. Get a base pot going with the oil, garlic and herbs, simmer on low. Chop and add tomatoes to the toasted garlic and herbs, keep at a low heat. Dice the peppers, squash and zucchini and cook on high in a separate skillet.

Peel, dice and salt the eggplant, then let it sit in a strainer to drain excess juices. Once the vegetables are cooked in the skillet, add them to the tomato sauce that is cooking on low heat. Reheat the skillet and cook the eggplant until golden brown. Add the eggplant to the sauce, and salt and pepper to taste.

Cook on low heat for about an hour. Keep stirring the mixture periodically while it cooks. Enjoy on bread or with pasta!
